Industry Need

Skill gap in modern workforce

Market demand for expertise

Untapped potential growth

"We have identified a critical disconnect between academic learning and industry demands. This event serves as the bridge for sustainable professional development."

Our Approach

Through strategic networking and knowledge sharing, we create a high-impact ecosystem for growth.

1 Insight

Direct access to industry thought leaders and practitioners.

2 Networking

Establishing long-term corporate and student partnerships.

3 Growth

Measuring impact through career placements and brand equity.

Impact Metrics

A snapshot of the anticipated scale and reach for Walkathon 2025. These numbers represent our commitment to domestic and global tech excellence.

0+

EXPECTED PARTICIPANTS

3

EXPERT SPEAKERS

2

HANDS-ON WORKSHOPS

3

TECHNICAL SESSIONS

"Our metrics reflect a focus on quality engagement, ensuring every attendee and partner gains significant value through our structured tech ecosystem."

Audience Persona

Understanding our demographic reach ensures targeted impact for our sponsors and partners.

85%

Students

Targeted engagement with core industry professionals and academic excellence.

10%

Faculty

Targeted engagement with core industry professionals and academic excellence.

5%

Other Staff

Targeted engagement with core industry professionals and academic excellence.
